Dear May Friends:

Many thanks for your beautiful and meaningful Easter cards! Don and I attended an early morning sunrise service put on by his former church, Heights Christian. The service was very meaningful located on the side of Sandia Mountain. Two men answered the call to accept Christ that morning.

CIRCLE OF CONCERN: We have had three months of good meetings and again we are looking for a new place. It will happen next Sunday, May 4, 6:00 to 7:30 PM and in a couple of days we hope to be able to tell you where! We will send out an email and you may also call us. Tom Taylor, who was ill the first of April will be our speaker on how to boost our self image. Doug will be present with some vital information for you on obtaining credit. If you know of a centrally located meeting place that is private (not a restaurant with waitresses) let us know please.

IN-HOUSE BUSINESS: Please be careful with collect phone calls. If you are outside New Mexico your call could be several dollars. If you are from Chapparral we now accept your calls as the price has come down. This doesn't mean we don't want to bother with you folks in Wisconsin, Montana or Florida! We are now sending our monthly letters, mentoring sheets and personal letters to about five or six states. Thank you for recent mentoring sheets! Our prayers are with you.

CRAFT FAIR will be happening this coming Friday and Saturday at *Roc Rio Church* in Rio Rancho. Nadine and Teller have been the brains behind this.

BLESSINGS FROM BILL: God rules. God made it all and everyone, including us. He can change or destroy or create anything, anybody, any object. Nothing is forever except God. Stand aside and watch God work, even in you! He will glorify Christ – and you in Him. **Note: Bill** has asked for some photos of Don and me so watch the end of the letter.

IRENE WHITEHEAD: I had a great time recently visiting with Irene (mother of Pastor Monte of Chapparral). She lives in Alamogordo, is not only concerned with her son but with all those in that prison. We talked family, kids, church, prisons and we could have carried on much longer. She said she might be willing to come to our Circle of Concern for June. **Note Irene, I am officially inviting you to be our speaker – on the subject of “The Invisible Church”.**

PRAYER: I am overwhelmed when folks tell me they pray for Titus House daily! Please pray this month also for those kept for months, even years, in solitary confinement. Pray for new Christian inmates who have prayed the prayer “on page 10 of the Four Spiritual Laws.” One man called from Louisiana and told me he is studying “Experiencing God” there in his prison. Pray also for our supporters, people behind the scenes faithfully sending us monthly checks. We are especially blessed by inmate checks for as little as \$5.00! That could mean five new people hear the message of the Four Spiritual Laws. If you don’t know what I am referring to, ask and I will send you one. Pray for jobs for new releases.

EXCELLENCE (inspiration over my desk)

CARING more than others think is wise.

RISKING more than others think is safe.

DREAMING more than others think is practical.

EXPECTING more than others think is possible.

May God Bless and keep you. May God's face shine on you. May God be kind to you and give you peace.

Our Love & Alice
